**Thank you for choosing San Juan Sailing for your sailing instruction!
We hope you will find this checklist helpful for your planning.**

ADVANCE PREPARATION

The required texts for the course are *Bareboat Cruising Made Easy* and *Cruising Catamarans Made Easy* by the American Sailing Association.

- You can order at the [ASA Store](https://www.amazon.com), at Amazon, your local library, or through iBooks.
- Plan to arrive having fully prepared, reviewing your text along with the course curriculum, so that you are ready for written exams.

ABOUT YOUR CLASS

- Sailing can be a rigorous endeavor, particularly when learning. **Be prepared to be very active while on a moving boat.** If you are very sedentary, it would be a good idea to start a moderate exercise program including some upper body training.
- We provide all the food for your course, with the exception of one night to eat ashore. Please be sure to complete and return the student survey, which covers dietary restrictions.
- Alcoholic beverages are allowed at anchor, with a limit of two drinks per night for the safety of all aboard. We do not provide alcoholic beverages, but you are welcome to bring your own.
- Many people ask us if it is common practice to tip the instructor. It is, though the tip amount is left to your discretion. Tips average 10-15% or \$25-35/day.
